Feedback

We are very interested in knowing what our customers think and how they feel. We are continually developing new products and striving for excellence. Some of our new products are a direct result of listening to what people want and developing products to fulfill their needs. We are proud of our creative, yet practical, way of expanding to new markets as well as adding to our existing product lines.

We are always open for suggestions and comments, both positive and negative. We have a few questions in which we would like your opinion. Please take a few minutes to complete the following questions and feel free to add your comments at the end. Thank you for your time.

1. If you could add one product to the Burris Computer Forms Product Line, what would it

Blank Printable Tri-Fold Mailers with Reply Card

Our new Tri-Fold Mailers are perfect for Business Reply Mail, Invitations, Announcements, R.S.V.P. and other occasions. They eliminate the need for self-addressed stamped envelopes and reduce the cost of mailings by allowing your customer or prospect to mail the return piece at the postcard rate of 23¢ compared to the traditional 37¢. Our Tri-Fold Mailers come in large (8 ½" x 11") and small (6" x 11"). Each sheet is scored for easy folding and the reply card section is perforated for easy removal. They meet all postal regulations and work well on laser and inkjet printers. Labels, which are 1" by 5/8", are included for easy sealing and mailing. For more information click [HERE](#)
