

New webpage for Blank Print-Your-Own Labels™

We have organized the blank Print-Your-Own-Labels™ page by use. Examples include organizing with color label sheets, identifying items by color, organizing by category, organizing by product, or color coding chemicals according to OSHA regulations.

Free samples and free downloadable templates are available.

Create and print-your-own holiday cards

The fall is a great time to determine which sizes or formats to use for your next holiday mailing. We offer postcards 4up, postcards 2up, single postcards, note cards, 5x7 greeting cards, half folds, and more. Colored postcards and notecards are great for the holidays. See our Rudolph Red, Holly Green, Classy Cream, or White products. Free downloadable templates and images are available. See our easy to use instructions.

Show off artwork using our blank cards

Some of our customers enjoy printing their artwork on our notecards for resale and display. We offer Note Card-Photo Matte Inkjet and HalfFold-Photo Matte Inkjet, for vivid color and clarity. Or, choose our Note Card Premium Heavy for a smooth, professional finish.

Burris gets an exciting new look!

Burris Computer Forms® announces the winner of its company logo contest. The contest was held through logomyway.com, a site that hosts contests where companies submit their requirements for a new logo, and graphic designers all over the world submit logo design entries. Burris received 152 logo submissions and narrowed the contest to several logo designs before selecting the winner.
